I can earn points at school.

DO WHATS EXPECTED AND DO IT THE BEST

When I do my best and help others to learn I can earn 10 points.

If I choose step I need to adjust my points to help me remember to do better next time.

If I don't do my best I need to adjust my points to help me remember to do better next time.

Not earning 10 points doesn't mean I'm a bad kid, it just means I need help making better choices.

I like to make good choices and learn.

Sometimes I don't earn enough points to make my day. This means I take a note home to mom and dad so they can help me.
